

CNC Grinder/ Programmer

G.W. Schultz Tool, Inc - Tavares, FL

Candidates please send your resume to Lynne Burnham at l.burnham@gwschultz.com.

For over 30 years, G.W.Schultz Tool, Inc. has been manufacturing the highest quality, premium rotary carbide cutting tools. We are located in Tavares, Florida. G.W. Schultz maintains a top of the line shop and our machines include Rollomatic, Saacke, Star, TTB and Walter. When you come to work for us you are not just an employee, you become part of our team.

Some of the benefits we offer are:

- Vacation
- Personal time
- Holiday pay
- Medical, Dental, Vision, Life insurance
- Simple IRA

We are seeking a CNC Grinder/ Programmer with direct experience in precision tool grinding. Qualified applicants should have Numroto or VGPro software knowledge and/or experience on Saacke, Rollomatic, Star, Walter or P4/P5 tool grinding machines. Salary is based on experience.
