

USA #1 in the world!

For more than twenty years, the Manufacturers Association of Central Florida (MACF) has worked as a not-for-profit organization, to not only elevate the image of Central Florida's manufacturing sector, but also to be a tangible resource to local manufacturers through:

- Manufacturer and Supply Chain Networking Events
- Governmental Relations/Advocacy
- Engaging Educational Opportunities and Workforce Development (Providers, Employees, and Students)

Membership Networking Events

- Sharing best practices to Manufacturers and Supply Chain professionals through Plant Tours/Shop Talks
- Annual Awards for Excellence in Manufacturing and Supply Chain Performance
- Annual President's Dinner with high profile speakers

Governmental Relations Advocacy

- Providing Assistance to Resource/Grant Opportunities
- Working with local/state legislators on issues facing our Central Florida manufacturers, Capital Investment and Renewable Energy Incentives, Workforce Quick Response Training
- Providing Coordination for the Annual Manufacturer's Days at the Capitol (in Tallahassee, FL)

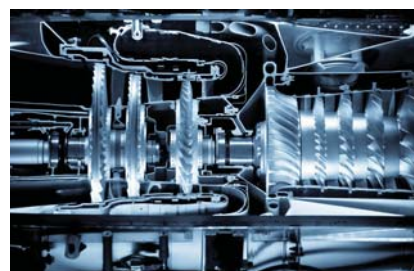

Educational Opportunities and Workforce Development

- Assisting in Workforce Development (MSSC Certification Workshops and Training Sessions, Shop Talks, Shared Best Practices)
- Assisting local Educational Systems locate and coordinate student internships with local manufacturers
- Engagement through the Central Florida STEM Council

BENEFITS Manufacturers

- A voice heard by government
- Problem-solving roundtables
